Eyeless

Bring Me The Horizon

Yeah
Insane, am I the only motherfucker with a brain?
I'm hearing voices, but all they do is complain
How many times, have you wanted to kill?
Everything and everyone, say you'll do it but never will
You can't see California without Marlon Brando's eyes
Can't see California without Marlon Brando's eyes
You can't see California without Marlon Brando's eyes
I am my father's son, 'cause he's a phantom
A mystery, and that leaves me nothing
How many times, have you wanted to die?
It's too late for me, all you had to do was get rid of me
You can't see California without Marlon Brando's eyes
Can't see California without Marlon Brando's eyes
You can't see California without Marlon Brando's eyes
It's all in my head
It's all in your head
It's all in me head
I tried, you lied to me for so long
Everywhere I go, there's a sense of it
Freak on my antics, and give me a choice
Doesn't matter if I give a shit, it's shit that you gave me

You can't see California without Marlon Brando's eyes
Can't see California without Marlon Brando's eyes
You can't see California without Marlon Brando's eyes
It's all in my head
It's all in your head
It's all in my head
Do you want to feel pain?
Taking my name in vain
Killing never felt so lame inside
Everybody else got pride
Do you want to take my life?
Maybe I'll reverse my ride
Who the fuck are you? Fuck you
Better suck it up 'cause you'll bleed through
Better get away from me
Stay the fuck away from me

I feel safe, seems your saved
I feel safe, seems your saved
Look me in my brand new, eye
Look me in my brand new, eye
Look me in my brand new, eye
Motherfucker
Look me in my brand new, eye
Look me in my brand new, eye
Look me in my brand new, eye
Look me in my brand new...
