

Call You Out

Flyleaf

How can you act like you know
â€œWhen all you know is to lie?
Another truth to expose,
Freedom will capture their eyes.
We find this truth
â€œWe fight. You lose. Your time's up now.
â€œThat's enough now.
Shut up, get out!â€œ
Truth called you out. I know this language of yoursâ€œ,
I used to speak it so well.
â€œA fire meant to be pure
Is now the fire of Hell.
It is written
Long before you. Your time's up now.â€œ
That's enough now.
Shut up, get out!â€œ
Truth called you out. I hear your claims,
And I know your name
â€œI hear your claims, â€œ
And I know your name Liar.
â€œLiar. Your time's up now.â€œ
That's enough now.
Shut up, get out!â€œ
Truth called you out. Your time's up now.â€œ
That's enough now.
Shut up, get out!â€œ
Truth called you out.
