

# Silver Bullets

[Ryan Adams](#)

Go and get the gun  
'Cause it's only getting worse  
Go and fill it up  
With silver bullets 'Cause I can't see the sun  
But I know it's gone away  
And I can't make you love me  
And you can't make me stay Are their wolves at the door?  
That you're not supposed to let it  
You can't make me feel  
What I'm not feeling And I can't see the sun  
But I know it's gone away  
And I can't make you love me  
You can't make me stay
