Empty Apartment

Yellowcard

Call me out
You stayed inside
One you love
Is where you hide
Shot me down
As I flew by
Crash and burn
I think sometimes
You forget where the heart is
Answer no
To these questions
Let her go
Learn a lesson
It's not me
You're not listening now
Can't you see
Something's missing
You forget where the heart isTake you away
From that empty apartment
You stay
And forget where the heart is
Someday
If ever you loved me
You'd say
It's okayWaking up
From this nightmare
How's you're life
What's it like there
Is it all
That you want it to be
Does it hurt
When you think about me
And how broken my heart isTake you away
From that empty apartment
You stay
And forget where the heart is
Someday
If ever you loved me
You'd say it's okayIt's okay to be angry and never let go

It only gets harder the more that you know
When you get lonely if no one's around,
You know that I'll catch you when you're falling down
We came together but you left alone
And I know how it feels to walk out on your own
Maybe someday I will see you again
And you'll look me in my eyes and call me your friendTake you away from
That empty apartment
You stay and forget where the heart is
Someday
If ever you loved me
You'd say it's okay
It's okay it's okay
