

# Breakdown (Live at Crocodile R

## Breaking Benjamin

Breakdown! Let the fun and games begin  
She is spayed and broken in  
Skin is cold and white  
Such a lovely lonely night Heaven is on the way  
You could feel the hate  
But I guess you never will  
I'm on a roll again  
And I want an end  
'Cause I feel you creeping in What I found in this town  
I'm heading for a breakdown  
What's that sound, you're so loud  
I'm heading for a breakdown Drank up all my alcohol  
This is not a free for all  
I'll be there for you  
'Til my heart is black and blue Heaven is on the way  
You could feel the hate  
But I guess you never will  
I'm on a roll again  
And I want an end  
'Cause I feel you creeping in What I found in this town  
I'm heading for a breakdown  
What's that sound, you're so loud  
I'm heading for a breakdown What I found in this town  
I'm heading for a breakdown  
What's that sound, you're so loud  
I'm heading for a breakdown You breakdown, you're so proud.  
I'm heading for a breakdown.  
What's that sound, it's so loud.  
I'm heading for a breakdown.  
No!
