

# Washington Square Park

Anat Cohen

It's better than nothing, it's better than you can get  
What more could you want, what more could you ask for?  
Living day by day is more than I can say about my life, my life  
Living in denial, wipe that stupid smile away Through that ring again, through that sick machine  
Doesn't make you any stronger than you  
Anything you choose, it's not abuse, many people live through  
It's better nothing, it's better than you can get Living day by day is more than I can say about my life, my life  
Living in denial, wipe that stupid smile away
