

# The Sound of the Atom Splitting

## Pet Shop Boys

I hate you, I hate you  
Nothing will ever be the same  
Oh really? Don't be silly  
I told you it was all a game Whenever I see you or your work  
It makes me feel like spitting  
What's that noise? Oh that, we've been expecting it for ages  
It's the sound of the atom splitting He's a villain, him over there  
With a stocking on his head  
Look, there's another one  
They call themselves pinheads What's that noise over there?  
Is it the corrugated iron they're hitting?  
No, no, it's perfectly normal  
It's just the sound of the atom splitting Whose side are you on anyway?  
Is that some kind of threat?  
Well, I suppose it will have to do  
As long as you don't make too much mess And would the last person to leave  
Once you all finish kissing  
Turn the video on to record  
You never know what you're missing  
Bread and circuses and maybe later  
The sound of the atom splitting Quiet at the back, please, no whistling  
It's the sound, the sound  
The sound of the atom splitting I hate you, I hate you  
Quiet at the back, please, no whistling  
It's the sound, the sound  
The sound of the atom splitting For the sound, the sound  
The sound of the atom splitting  
Oh really? Don't be silly  
I told you it was all a game  
[Inaudible]
