

# After All (Love Theme from "Chances Are")

## Cher & Peter Cetera

Well, here we are again  
I guess it must be fate  
We've tried it on our own  
But deep inside we've known  
We'd be back to set things straight  
I still remember when  
Your kiss was so brand new  
Every memory repeats  
Every step I take retreats  
Every journey always  
Brings me back to you  
After all the stops and starts  
We keep coming back to these two hearts  
Two angels who've been rescued from the fall  
And after all that we've been through  
It all comes down to me and you  
I guess it's meant to be  
Forever you and me after all  
When love is truly right  
This time it's truly right  
It lives from year to year  
It changes as it grows  
And oh, the way it grows  
But it never disappears  
After all the stops and starts  
We keep coming back to these two hearts  
Two angels who've been rescued from the fall  
And after all that we've been through  
It all comes down to me and you  
I guess it's meant to be  
Forever you and me after all  
Always just beyond my touch  
Though I needed you so much  
After all what else is living for  
After all the stops and starts  
We keep coming back to these two hearts  
Two angels who've been rescued from the fall  
And after all that we've been through  
It all comes down to me and you  
I guess it's meant to be  
Forever you and me  
After all the stops and starts  
We keep coming back to these two hearts  
Two angels who've been rescued from the fall  
And after all that we've been through  
It all comes down to me and you

I guess it's meant to be  
Forever you and me after all
