

Sit On My Face (Monty Python Sings)

Monty Python

Sit on my face and tell me that you love me
I'll sit on your face and tell you I love you, too
I love to hear you oralize
When I'm between your thighs
You blow me away Sit on my face and let my lips embrace you
I'll sit on your face and then I'll love you truly
Life can be fine if we both sixty-nine
If we sit on our faces in all sorts of places
And play, 'til we're blown away
