Take No

Hale

I've gone away and went through hell and back and...I never was and will again
all the tears i've held inside
why it had to be this longand I have failed to seeI would've wanted you gone
I, but it's just too soon
all the times i kept you outside
why you had to be so strongand i have failed to see
these dreams they haunt me backpraise fate
cause I'm coming homeyou...
