Sitra Ahra

Therion

Tree of disbelief
with broken harmony in the resin.
Taste the tempting fruit
and be an outcast from the paradise.Pass the Sea of Darkness to another world.Join me to the Other Side, (the) Nightside of the Paradise.
Sitra Ahra
Kiss the Queen of Qelipot, listen to the serpents voice:
Sitra Ahra
"Pass the gate across the line, take a step and enter Ayin".
Sitra AhraPandemonium
a secret residence in the exile.
Build another house
God is left behind and now you see.(An) Eden you are losing you will once regain.Join me to the Other Side, (the) Nightside of the Paradise.
Sitra Ahra
Kiss the Queen of Qelipot, listen to the serpents voice:
Sitra Ahra
"Pass the gate across the line, take a step and enter Ayin".
Sitra AhraYou will break the seventh seal
Sitra Ahra
(and) all the secrets are unveiled.
Sitra Ahra.Walk across the mirror to another world.Join me to the Other Side, (the) Nightside of the Paradise.
Sitra Ahra
Kiss the Queen of Qelipot, listen to the serpents voice:
Sitra Ahra
"Pass the gate across the line, take a step and enter Ayin".
