Calling out to You

Inspiral Carpets

The way he came it washed away
The dirty streets and no decay
He left behind no nights and days
When she decided to go awayYou walk around in despair
Lift you hand and gasp for air
All around don't seem to care
Look to you and you're not thereThis is me
I'm calling out to you
He's falling
Next to me
I'm calling out to you
This is me
I'm calling out to you
He's falling
Next to me
I'm calling out to youYou see your face all around
Your heart takes instant ground
Nobody ever heard the sound
Terrified is never boundThis is me
I'm calling out to you
He's falling
Next to me
I'm calling out to you
This is me
I'm calling out to you
He's falling
Next to me
I'm calling out to youThis is me
I'm calling out to you
He's falling
Next to me
I'm calling out to youThis is me
I'm calling out to you
He's falling
Next to me
I'm calling out to you
