

It Will Be Me

Kristin Chenoweth

When you start fallin
Whos gonna catch ya?
Im willin to betch ya
It will be meWhos gonna love ya
Like theres no other?
Search and discover
It will be meWhen all the others
Have gone and hurt you
Who wont desert you?
It will be meWeigh in the options
So much to think of
But when you think of
It will be meYou may not see it now
Love is strange that way
But someday, someday baby, somehowWhen youve been broken
Dreams dont oblige you
Whos that beside ya?
Oh, it will be meYou may not see it now
Love is strange that way
But someday, someday baby, somehowWhod be your only
True romancer?
You know the answer
It will be meWhat will it take to
Bring you to your senses?
And finally convince you?
It will be meIt will be me
It will be me
