## It Will Be Me

## **Kristin Chenoweth**

When you start fallin Whos gonna catch ya?

Im willin to betch ya

It will be meWhos gonna love ya

Like theres no other?

Search and discover

It will be meWhen all the others

Have gone and hurt you

Who wont desert you?

It will be meWeigh in the options

So much to think of

But when you think of

It will be meYou may not see it now

Love is strange that way

But someday, someway baby, somehowWhen youve been broken

Dreams dont oblige you

Whos that beside ya?

Oh, it will be meYou may not see it now

Love is strange that way

But someday, someway baby, somehowWhod be your only

True romancer?

You know the answer

It will be meWhat will it take to

Bring you to your senses?

And finally convince you?

It will be meIt will be me

It will be me
