

# The Summer Wind

Andy Williams

The summer wind came blowin' in  
From across the sea  
It lingered there to touch your hair  
And walk with me All summer long  
We sang a song  
And then we strolled that golden sand  
Two sweethearts  
And the summer wind Like painted kites, those days and nights  
They went flying by  
The world was new  
Beneath the blue  
Umbrella sky Then softer than  
The piper man  
One day, it called to you  
I lost you to  
The summer wind The autumn wind  
And the winter wind  
They have come and they have gone  
And still the days  
Those lonely days  
Go on and on And guess who sighs a lullaby  
To nights that never end?  
My fickle friend,  
The summer wind  
Mmm the summer wind  
The summer wind  
The summer wind
