

Rosanna

Toto

All I wanna do when I wake up in the morning is see your eyes

Rosanna, Rosanna

I never thought that a girl like you could ever care for me, Rosanna
All I wanna do in the middle of the evening
is hold you tight

Rosanna, Rosanna

I didn't know you were looking for more than I could ever be
Not quite a year since she went away, Rosanna
yeah

Now she's gone and I have to stay

Meet you all the way, meet you all the way, Rosanna yeah

Meet you all the way, meet you all the way, Rosanna yeah
I can see your face still shining through the window
on the other side

Rosanna, Rosanna

I didn't know that a girl like you could make me feel so sad, Rosanna
All I wanna tell you is now you'll never
ever have to compromise

Rosanna, Rosanna

I never thought that losing you could ever hurt so bad
Not quite a year since she went away, Rosanna yeah

Now she's gone and I have to stay

Meet you all the way, meet you all the way, Rosanna yeah

Meet you all the way, meet you all the way, Rosanna yeah
Not quite a year since she went away, Rosanna yeah

Now she's gone and I have to stay

Meet you all the way, meet you all the way, Rosanna yeah

Meet you all the way, meet you all the way, Rosanna yeah

Meet you all the way, meet you all the way, Rosanna yeah

Meet you all the way, meet you all the way, Rosanna yeah
