Ugly

Violent Femmes

Crossed the path then I followed your face It was hard to believe it was hard to trace I saw you today seems like I see you everyday But there's something I figured out 'bout you Ooh ooh ooh ooh yeahSo ugly, I'm tellin' you strait So ugly, don't make a mistake 'Cause you're ugly you could bet it on the bank Say why, why, would I lie to you? Why would I lie, why would I lie? You're so ugly all the time ugly You ain't no friend of mine 'Cause you're ugly you could bet it on the bank Say, why, why, why would I lie to you Why would I lie, why would I lie? When you smile or a frown I'm so tired of you being around Engaged in some sexual acts We'll I'm just gonna have to tell you all the facts What could that be about, well here's a clue Ooh ooh ooh ooh yeahSo ugly, I'm tellin' you strait So ugly, don't make a mistake 'Cause you're ugly I'm tellin' you that I say why, why, why would I lie to you? Why would I lie, why would I lie? Your so ugly, all the time ugly You ain't no friend of mine ugly You could bet it on the bank Say, why, why, why would I lie to you? Why would I lie, why would I lie? You're so ugly, la la la la, so ugly
