

Graceland

Kashmir

I wish I lived in Graceland
but I only had one day
a postcard from the main land
is all I have todayForty thousand million
and a rolls royce engine
couldn't take me anywhereYes I tried with aspirin
and a nice calm weekend
but my heart has left me hereI wish I had that skin tan
that you are born into
they'd see me as a warm man
just like they're seeing youForty thousand million
and a rolls royce engine
couldn't take me anywhereI drown in my drool
over all the goodies that they get
I drown in a pool
in a pool of my own sweatForty thousand million
and a rolls royce engine
couldn't take me anywhere
