

Nightswimming (Kissy Sell Out Bmore Re-Edit)

R.E.M.

Nightswimming deserves a quiet night
The photograph on the dashboard, taken years ago
Turned around backwards so the windshield shows
Every streetlight reveals the picture in reverse
Still, it's so much clearer
I forgot my shirt at the water's edge
The moon is low tonight
Nightswimming deserves a quiet night
I'm not sure all these people understand
It's not like years ago
The fear of getting caught
Of recklessness and water
They cannot see me naked
These things, they go away
Replaced by everydayNightswimming, remembering that night
September's coming soon
I'm pining for the moon
And what if there were two
Side by side in orbit
Around the fairest sun?
That bright, tight forever drum
Could not describe nightswimmingYou, I thought I knew you
You I cannot judge
You, I thought you knew me
This one laughing quietly underneath my breath
NightswimmingThe photograph reflects, every streetlight a reminder
Nightswimming deserves a quiet night, deserves a quiet night
