

# Auberge

## Ameritz Karaoke Band

On the hard fast train, on the road to gain  
Something gets right through to your telling bone  
There's a sudden itch, an electric twitch  
Sometimes I swear this body's got a mind of its own This is the naked truth, this is the light  
There's only one place left to go  
Auberge, Auberge, Auberge, Auberge You meet the silent type on a windy trail  
With a shiny cloak and an unseen silver dagger  
You can talk till you ache, give yourself one more break  
You can tell by the look on his face that it just doesn't matter 'Cause this is the naked truth and this is the light  
There's only one place left to go  
Auberge, Auberge, Auberge, Auberge Give me a weekend, give me a day  
Don't like what im seeing though I hear what you say  
Think with a dagger and you'll die on your knees  
Begging for mercy singing, "Please, Mister, please" 'Cause this is the naked truth and this is the light  
And there's only one place left to go  
Auberge, Auberge, Auberge, Auberge  
Auberge, Auberge, Auberge, Auberge  
Auberge, Auberge, Auberge
