

Lovers on the Sun (feat. Sam Martin) [Extended]

David Guetta

Let's light it up
Let's light it up
Until our hearts catch fire
Then show the world a burning light
That never shined so bright We'll find a way
We'll find a way
To keep the cold night
From breaking in over the walls onto the wild side
The hunger satisfied We're burning up
We might as well be lovers on the sun
We might as well be lovers on the sun
We might as well be lovers on the sun We'll never know
We'll never know
What stands behind the door
But I got a feeling and it's a feeling that's worth dying for
Just close your eyes and hold your breath because it feels right
We'll keep it moving until we make it to the other side
And let's enjoy the ride We're burning up
We might as well be lovers on the sun
We might as well be lovers on the sun
We might as well be lovers on the sun Let's light it up
Let's light it up
Until our hearts catch fire
Then show the world a burning light
That never shined so bright
