

I've Got A Little Something For You

MN8

I got a little somethin' for ya
(I got a little somethin' for you)
Na na na na na na na na na I got a little somethin' for you
I got a little somethin' for you
Ain't that thoughtful of me
Ya know I been wanting
I been really wanting
To give this to you[1] - I got a little somethin' for ya
And I'll give you just three guesses to figure out
Just what it is
'Cause I've been holdin' back so long
And my love rolling strong
So take this tag
Tear it off your wrap
'Cause the gift that I got ain't goin' back[2] - I got a little somethin' for ya
(I got a little somethin' for you)
Na na na na na na na na na
(Baby you know that I adore you)
I got a little somethin' for ya
(I got a little somethin' for you)
Na na na na na na na na na(Yes I have)
You deserve somethin' special
And most of all, somethin' from me
It's the kind of gift, that you & I enjoy
It's a gift that says that you are on my mind[Repeat 1]
[Repeat 2]I got a little somethin' for ya
(I got a little somethin' for you)
Na na na na na na na na na[Rap]
I little somethin's what I got, let's take a slow ride
Maybe then go ?? honey's kickin'
It's love she's inflictin'
It's mentally addictin'
Addicted to the love a lady that is so fine
Wanna know my secret? Then you gotta get mine
Really gotta get mine
Son, over lover, mista lova man is here
With a little somethin' for ya
(Na na na) No I don't think so
Let's take a long ride, girl don't let go

(Na na na) Mmmm, I don't think so
Let's take a long ride, girl don't let go
(Na na na)
Yeah, you betta ask somebody[Repeat 2 to fade w/ variations]
