Saturn?s Children

Electric Wizard

Crucified by the sun
In the shadow of the iron cross
Saturn's children come
Invoke the super covenMany armed we strike
Like wolves in the night
And cross turns to black
To black, to blackAnd the children of the sun
Know that their time has come
Give up the fight
Slip back into the nightTurn off your mind
There's nothing to find
There's nothing to find
To find out hereSaturn's children
Saturn's children
Lucifer's children
Lucifer's childrenSaturn's children
Saturn's children
Lucifer's children
Lucifer's childrenSaturn's children
Saturn's children
Lucifer's children
Lucifer's children
