Falling Man

Blonde Redhead

Tell me how you seek your man And tell me all your secret spells Tell me how you learn

To tell by his voice that he fellI know a ghost will walk through walls Yet I am just a man still learning how to fallTry to re-imagine me

> And I'll re-invent myself Still I remember scenes

Of when you looked at someone elseI know a ghost can walk through the wall Yet I am just a man still learning how to fallWhen you start doubting me

> Then I start to doubt myself And never look through me

Cause I'll keep close to myselfI know a ghost can walk through the wall Yet I am just a man still learning how to fallI am what I am

And what I am is who I am
I know what I know
And all I know is that I fell

If only I could walk through walls
Then maybe I would tell you who I was
Yet I am just a man still learning how to fall
Yet I am just a man still learning how to fall
