

Dancing The Manta Ray

Pixies

Do the manta ray
Do the manta ray
Do the manta ray
Do the manta ray
Your head can go real screw
With saucers chasing you
Dance the manta ray
Dance the manta ray
Dance the manta ray
Dance the manta ray

Dance the manta ray
Your head can go real screw
With saucers chasing you
This don't swim
This fly, fly, c'mon
Your head can go real screw
With saucers chasing you
