

He Is

Ghost

We're standing here by the abyss and the world is in flames
Two star-crossed lovers reaching out to the beast with many namesHe is
He's the shining and the light without whom I cannot see
And he is
Insurrection, he is spite, he's the force that made me be
He is
Nostro dis pater, nostr' alma mater
He isWe're hiding here inside a dream and all our doubts are now destroyed
The guidance of the morning stars will lead the way into the voidHe is
He's the shining and the light without whom I cannot see
And he is
Insurrection, he is spite, he's the force that made me be
He is
Nostro dis pater, nostr' alma mater
He is
