

Wheels

Frosting

We've all got wheels to take ourselves away
We've got telephones to say what we can't say
 We all got higher and higher every day
 So come on wheels, take this boy away
 We're not afraid to ride
 We're not afraid to die
 So come on wheels, take this boy away
 Come on wheels, take this boy today
 When I feel that my time is almost up
 And destiny is in my right hand
I'll turn to him who makes my faith so strong
 Come on wheels, make this boy a man
 We're not afraid to ride
 We're not afraid to die
 So come on wheels, take this boy away
 Come on wheels, take this boy today
 Come on wheels, take this boy today
