I'll Be Gone

John Hasbrouck

Like shining oil, this night is
dripping down
Stars are slipping down, glistening
And I'm trying not to think what I'm
leaving now
No deceiving now, it's time you let
me know.
Let me know
(Chorus)
When the lights go out and we open
our eyes,
out there in the silence, I'll be gone,
I'll be gone.
Let the sun fade out and another
one rise
Climbing through tomorrow, I'll be
gone, I'll be gone.
This air between us is getting thinner
now
into winter now, bitter sweet
across that horizon this sun is
setting down
You're forgetting now, it's time you

let me go, let me go
(Chorus)
When the lights go out and we open
our eyes,
out there in the silence, I'll be gone,
I'll be gone.
Let the sun fade out and another
one rise
Climbing through tomorrow, I'll be
gone, I'll be gone.
(Bridge)
And tell them I couldn't help myself
And tell them I was alone
Oh, tell me I am the only one
and there's nothing left to stop me.

(Chorus)
When the lights go out and we open
our eyes,
out there in the silence, I'll be gone,
I'll be gone.
Let the sun fade out and another
one rise
Climbing through tomorrow, I'll be
gone, I'll be gone.
