The Beautiful Interlude

Jack Freeman

Your pray
A key to my heart
Shinning bright like a star....oh you
And you sing the melody's from a star
every song is a part of you
(Choirs)
your there when I call
you always pick me up
I smile thinking of you
I wanna give you my all unconditional love
itâ€™s been a while since Iâ€™ve told you
If I havenâ€™t told you today...your beautiful
if I havenâ€™t told you today....you got a heart of gold
If I havenâ€™t told you today.. I want you to know
If I havenâ€™t told you today...your beautiful

Your eyes
Bring calm to my soul
donâ€™t I love to hold you
its no lie.... girl I canâ€™t deny..... anything that Iâ€™ve told you
(Choirs)
your there when I call
you always pick me up
I smile thinking of you
I wanna give you my all
unconditional love
itâ€™s been a while since Iâ€™ve told you
If I havenâ€™t told you today...your beautiful
if I havenâ€™t told you today....you got a heart of gold
If I havenâ€™t told you today.. I want you to know
If I havenâ€™t told you today...your beautiful
