Golden Train

Cascada

Don't you wake up yet
Give me some time
To watch you asleep
Oh, angel of mine
And I, I will be fine
As long as you're near me
Oh, angel of mine
But tomorrow if a golden train came to take you away
Would you go or would you stay?
Tomorrow if a golden train came to take you away
Would you go or would you stay?
Here in this cozy room, just me and you
Oh, cuddling and kissing, making sweet love
The shooting-star wishing, watch the sun come up
(Sun come up)
And then we'll sleep all day
Meet in our dreams
And live life our way, drop it all off
And we'll fly away, dip through the stars
And wake up slowly
(Slowly, slowly)
But tomorrow if a golden train came to take you away
Would you go or would you stay?
Tomorrow if a golden train came to take you away
Would you go or would you stay?
One thing I know for sure
Is my love for you is deeper than any root or stone
And momma told me so
That don't walk the streets alone
I said one thing I know for sure
Is my love for you is deeper than any root or stone
Momma told me so
Don't walk the streets alone
I said, tomorrow if a golden train came to take you away
Would you go or would you stay?
Tomorrow if a golden train came to take you away
Would you go or would you stay?
(Would you go or would you stay?)
Oh, would you go or would you stay?

Tomorrow if a golden train came to take you away
Would you go or would you stay?
Tomorrow if a golden train came to take you away
Would you go or would you stay with me?
