

We Only Come Out At Night

Smashing Pumpkins

We only come out at night
We only come out at night
The days are much too bright
We only come out at night And once again
You'll pretend to know me well
My friends And once again
I'll pretend to know the way
Through the empty space
Through the secret places of the heart We only come out at night
We only come out at night
The days are much too bright
We only come out at night I walk alone
I walk alone to find the way home
I'm on my own
I'm on my own to see the ways That I can't help the days
You will make it home okay
I know you can
And you can We only come out at night
We only come out at night
The days are much too bright
We only come out at night And once again now
You'll pretend to know that
That there's an end
That there's an end to this begin It will help you sleep at night
It will make it seem that right is always right
Alright? We only come out at night
We only come out at night
The days are much too bright
We only come out at night
