Freedom

Arjun

Welcome to the place within
Your heart and soul
Until you find the truth
To keep away the secrets of the man and his grave
Everything you see and everything you touch and see is real...
"I'm sorry"... I didn't tell you where I'm throwing you...Freedom...Everything you made
And everything you took away for good
I fought for the love and for the peace in you
I crossed the line for you
I sacrificed for you
I crossed the line for you and
Broke away...Make Love Peace try
Make Love Please try
