

Angel (Metro mix)

Lionel Richie

I just want to tell you all the things you are
And all the things you mean to me When I find myself believing there's no place to go
When I feel the loneliness inside my heart You're the answer to my prayers
And you're with me everywhere
You're my angel, miracle, you're all I need tonight
Give me shelter from the rain
You breathe life in me again
You're my angel, miracle, you're all I need to know, tonight Life is just a moment
We're blowing in the wind
We're trying to find a friend
And only time can tell us
If win or if we lose
And who will stand beside us When there's darkness all around me
You're the light I see
When I need someone to ease my troubled mind You're the answer to my prayers
And you're with me everywhere
You're my angel, miracle, you're all I need tonight
Give me shelter from the rain
You breathe life in me again
You're my angel, miracle, you're all I need to know, tonight You're my angel (my angel)
You're the answer to my prayers
And you're with me everywhere
You're my angel, miracle, you're all I need tonight
Give me shelter from the rain
You breathe life in me again
You're my angel, my miracle, you're all I need to know, tonight You're all I need to know (angel), (angel),
(angel)
You're angel (angel), (my angel)
My angel my, my, my angel (angel), (my angel), (my angel)
