

# Masterpiece

## Sandi Patty

Before you had a name or opened up your eyes  
Or anyone could recognize you face  
You were being formed so delicate in size  
Secluded in God's safe and hidden place  
With your little tiny hands  
And little tiny feet  
And little eyes that shimmer like a pearl  
He breathed in you a song  
And to make it all complete  
He brought the masterpiece into the world  
You are a masterpiece  
A new creation  
He has formed  
And you're as soft and fresh as a snowy winter morn  
And I'm so glad that God has given you to me  
Little lamb of God  
You are a masterpiece  
  
And now you're growing up, your life's a miracle  
Every time I look at you I stand in awe  
Because I see in you a reflection of me  
And you're always be my little lamb from God  
And as your life goes on each day  
How i pray that you will see  
Just how much your life has meant to me  
And I'm so proud of you  
What else is there to say?  
Just be the masterpiece He created you to be  
  
You are a masterpiece  
A new creation He has formed  
And you're a soft and fresh as a snowy winter morn  
And I'm so glad that God has given you to me  
Little lamb of God, you are a masterpiece
