

# Phone Numbers

## Fabulous

You(x12)

[Fabulous - Intro]Y'all niggas better stop playin with me

Y'all know ya aint bout that life

"SOUL tape"

niiiccee

[Chorus]I'm callin them out

I got they phone numbers (x2)

When that money callin everything gon on hold (x2)

[Fabulous - Verse 1]I'm having doubts, what they really believe

Starting with these Stefan Urquelle, who really be Steve

Photoshop dont make it better, it really deceive

Long hair dont care, but it really be weave

Lets get back to this real shit

That life, I'm bout

Anytime that I'm out, I keep ballin like there's no time out

On the kush I'm stoned out

On you haters, I zone out

Y'all opinions dont make me money

So what yall thinkin dont count

I mean the nerve of these niggas giving me attitude

When I be serving these niggas

You rappers platter food

[Chorus] (x2)

[Verse 2]Saying they overrated is a understatement

Them niggas is broke, look like they under maintenance

They rapping bout mansions, but from they momma's basement

Swear they in phantoms, but drive a honda station

Lets get back to this real shit

Stay away from that counterfeit

That fake-it till you make-it life, really dont amount to shit

Talkin never bothers us, sometimes it do bore me

So if ya makin movies, hope it based on a true story

Freck said "nothings worse than a rich hater"

When money call, pick it up n call that bitch later

[Chorus] (x2)
