You're the Reason I'm In Love

Sonny James

You're the reason, you're the reason
You're the reason I'm in love, oohYou're the reason I'm in love
(You're the reason, you're the reason)
You're my shining star above
(You're the reason, you're the reason)You're my every dream come true
(You're the reason, you're the reason, baby)
That's why I love you like I do
(You're the reason, you're the reason)Adam shared his love with Eve
(You're the reason, you're the reason)
Some may doubt but I believe
(You're the reason, you're the reason)I would give my life for you
(You're the reason, you're the reason, baby)
That's why I love you like I do
(You're the reason, you're the reason)(Ooh, I would give my life for you)
(You're the reason, baby)
That's why I love you like I do
(Ohh)You're the reason I'm in love
(You're the reason, you're the reason)
You're my shining star above
(You're the reason, you're the reason)You're my every dream come true
(You're the reason, baby)
That's why I love you like I do
(You're the reason, baby)Yes, you're the reason I'm in love
(You're the reason I'm in love)
