

Love Drug

Die Antwoord

Your love is like a drug
I'm so addicted, you got me fucked up and it feels so good
Your love is like a drug
I'm so addicted, you got me fucked up and it feels so good You got me fucked up, feels like I'm losing my mind
Can't focus, can't do shit
And everything's covered in slime
I'm out of control, what the fuck
Feels like I'm going insane
What the hell have you done to me
Can't get you out of my brain
I want you, no I always and forever
Fuck the world, fuck everyone
Yo I don't care, whatever
I can feel my heart pounding like a motherfucking cartoon
Don't know what the hell's going on
All I know is I want you
Yo! Shut up and kiss me with tongue
Let's fuck it up, let's break shit
Let's motherfucking party
You so fucking cool, you so fun
Let's do what daddy did to mummy to get me
Your love is like a drug
I'm so addicted, you got me fucked up and it feels so good
Your love is like a drug
I'm so addicted, you got me fucked up and it feels so good
You are the one I want to fuck your brains out, baby c'mon
Me so horny, me love you long time
Baby girl, you the one
A man I can't control, what the fuck
Feel like I'm going insane
What the hell have you done to me
Can't get you out of my brain
Well done girl, you really fucked my head up
Fuck the world, fuck everyone
Yo I don't care, whatever
I love you, and no one can tell me what I can and can't do
Don't know what the hell's going on all I know is I want you
You drive me fucking crazy
You're my baby, love and number one motherfucker homie!

I got you under my skin, baby
Nigga if there was no you then there would be no me
O (yeah)
M fuck
Yo (Mh)
Guess what? (What?)
You are, the one
Arigato motherfucker Your love is like a drug
I'm so addicted, you got me fucked up and it feel so good
Your love is like a drug
I'm so addicted, you got me fucked up and it feel so good You drive me fucking crazy
I want to fuck your brains out
I got you under my skin, baby
You got me fucked up, feels like I'm losing my mind
Shut up and kiss me with tongue
I'm out of control, what the fuck
Feel like I'm going insane
You so fucking cool, you so fun
What the hell have you done to me
Can't get you out of my brain Your love is like a drug
I'm so addicted, you got me fucked up and it feel so good
