

# The Way I Come to You

[Bethany Dillon](#)

Day turned to night You breathed Your last  
Blood flowed from Your side  
All of God in a young man  
Who gave away His life And You loved me  
When I was Your enemy  
And You chose me  
When I didn't believe And You drank the cup that was all filled up  
With my punishment and shame  
From the garden to the empty tomb  
The way I come to You forever changed A crushing burden on our backs  
The words hang in the air  
"His blood be on us and our children"  
Still You forgave us there And You loved me  
When I was Your enemy  
And You chose me  
When I didn't believe And You drank the cup that was all filled up  
With my punishment and shame  
From the garden to the empty tomb  
The way I come to You forever changed Jesus, perfect through suffering  
Jesus, my merciful High Priest  
The weakness of God is mighty  
And the foolishness of His love has saved me When You drank the cup that was all filled up  
With my punishment and shame  
From the garden to the empty tomb  
The way I come to You forever changed  
Forever changed
