## On Thorns I Lay

Finally what you are is the same that we are everyone  
You do infeasible dreams, like everyone you will  
learn to love if you learn to suffer, like everyone  
So discover the snake of your soul, think deeper  
Discover the joy of your life think deeper  
The way is an opened to the violet  
The knowledge of your self please find yourself  
Grey loves my God, sink me in pain,  
my hearted body will soon expire, I will be waiting
