

Honey Don't

[Ringo Starr](#)

Well how come you say you will when you won't
Say you do baby when you don't
Let me know honey how you feel
Tell the truth now is love real? Honey don't
Honey don't
Honey don't
Honey don't
I say you will when you won't
Honey don't Well I love you baby and you oughta know
I like the way that you wear your clothes
Everything about you is so doggone sweet
You got that sand all over your feet Well someone's gotta love ya on a Saturday night
Sunday morning you don't look right
You've been out paintin' the town
Baby been steppin' around
