Goodbye

The Coral

I, I look into her eyes
Saw through her disguise
But never realized
That we were longing to be free
Runaway to sea
Well, that could never beGoodbye, don't say goodbye
I'd rather die
Than say goodbyeOnce so very long ago
Was when I loved you so
If only I had known
That I was blinded by my fate
I traded love for hate
Now I just sit and waitGoodbye, don't say goodbye
I'd rather die
Than say goodbye10, 9, 8, 7, 6, 5, 4, 3, 2, 1Goodbye, don't say goodbye
I'd rather die
Than say goodbye
