

Confide in Me (Franglais Version)

Kylie Minogue

I stand in the distance
I view from afar
Should I offer some assistance?
Should it matter who you are?[Chorus]
We all get hurt by love
And we all have our cross to bear
But in the name of understanding now
A problem should be sharedConfide in me
Confide in meI can keep a secret
And throw away the key
But sometimes to release it
Is to set our children free[Chorus]Confide in me
Confide in me
Confide in me
Confide in meStick or twist
The choice is yours
Hit or miss
What's mine is yoursStick or twist
The choice is yours
Hit or miss
What's mine is yours[Chorus]Confide in me
Confide in me
Confide in me
Confide in me
Confide in me
