Better on the Water

Ashley McBryde

Tank top twist top
Flip flops comin' off
Sunblock boombox
Pick a song get it on
Sun Drop Rolling Rock
Shiner Bock load it up

Oh styrofoam Solo
Keep the food keep it cold
Fishing pole grab ahold
Of anything that will float
Let's go gotta roll cold beer's filling up
Cut off blue jeans and tan bare feet
Got more butts than we got seats

Hey y'all let me hear ya holler
Yee haw take another swaller
This boat ain't gonna rock itself
Let's have more fun than we oughta
And take this party out a little farther
Keep this buzz floatin' hey hey
Everything's better on the water
Everything's better on the water

Monday Funday celebrate a holiday
Every day's a good day
Catchin' rays makin' waves
Let's make this lake party place belly up
Callin' all redheads, brunettes, blondes with hot friends
Rednecks floatin 'that beer on a life vest
Seadoo, pontoon, that's cool tie it up
Anchor down any troubles if you got 'em
Watch that sucker sink straight to the bottom

Hey y'all let me hear you holler
Yee haw take another swaller
This boat ain't gonna rock itself
Let's have more fun than we oughta
And take this party out a little farther
Keep this buzz floatin' hey hey

Everything's better on the water

Hey y'all let me hear you holler
Yee haw take another swaller
This boat ain't gonna rock itself
Let's have more fun than we oughta
And take this party out a little farther
Keep this buzz floatin' hey hey
Everything's better on the water

Hey y'all yee haw
Everything's better on the water
Everything's better on the water

Hey y'all yeehaw
Everything's better on the water
Let's keep this boat floatin' hey hey
Everthing's better on the water
