Cherish

Kool & The Gang

Let's take a walk together near the ocean shore
Hand in hand you and I
Let's cherish every moment we have been given
The time is passing byI often pray before I lay down
By your side

If you receive your calling before I awake

Could I make it through the nightCherish the love we have, we should cherish the life we live

Cherish the love, cherish the life, cherish the love

Cherish the love we have, for as long as we both shall live

Cherish the love, cherish the life, cherish the loveThe world is always changing, nothing stays the same

But love will stand the test of time

The next life that we live in remains to be seen
Will you be by my sideI often pray before I lay down
By your side

And if you receive your calling before I awake

Could I make it through the nightCherish the love we have, we should cherish the life we live

Cherish the love, cherish the life, cherish the love

Cherish the love we have, for as long as we both shall live Cherish the love, cherish the life, cherish the loveCherish the love Cherish the lifeCherish the love we have, we should cherish the life we live

Cherish the love, cherish the life, cherish the love

Cherish the love we have, for as long as we both shall live

Cherish the love, cherish the life, cherish the love We have, we should cherish the life we live Cherish the love, cherish the life, cherish the love

> Cherish the love we have, for as long as we both shall live Cherish the love, cherish the life, cherish the love
