Candy Coloured Lights

Rogue Traders

Traveling light, living my life
Hey, hey, hey
Loving the lights, gonna ignite
Hey, hey, heyGiving it glow, head to my toe
Hey, hey, hey
You'll never know where it could go
Hey, hey, heyLook in the mirror ball
This is the day I see it all
If you come out to play
It'll be worth the waitDancing under candy colored lights
Just this once I'll become hypnotized
This vibration, feel it if you dare
Colors of a secret love affairHeat of the night, temperature's right
Hey, hey, hey
Taking a bite, savor the night
Hey, hey, heyGiving a show, doing it slow
Hey, hey, hey
Get ready to go, I'm telling you so
Hey, hey, heyLook in the mirror ball
This is the day I see it all
If you come out to play
It'll be worth the waitDancing under candy colored lights
Just this once I'll become hypnotized
This vibration feel it if you dare
Colors of a secret love affairI'm gonna take it
I'm gonna take it
I'm gonna take it
I'm gonna take itDancing under candy colored lights
Just this once I'll become hypnotized
This vibration feel it if you dare
Colors of a secret love affairTraveling light, living my life
Hey, hey, hey
Loving the lights, gonna ignite
Hey, hey, heyGiving it glow, head to my toe
Hey, hey, hey
You'll never know where it could go
Hey, hey, hey
