

Candy Coloured Lights

Rogue Traders

Traveling light, living my life
Hey, hey, hey
Loving the lights, gonna ignite
Hey, hey, hey Giving it glow, head to my toe
Hey, hey, hey
You'll never know where it could go
Hey, hey, hey Look in the mirror ball
This is the day I see it all
If you come out to play
It'll be worth the wait Dancing under candy colored lights
Just this once I'll become hypnotized
This vibration, feel it if you dare
Colors of a secret love affair Heat of the night, temperature's right
Hey, hey, hey
Taking a bite, savor the night
Hey, hey, hey Giving a show, doing it slow
Hey, hey, hey
Get ready to go, I'm telling you so
Hey, hey, hey Look in the mirror ball
This is the day I see it all
If you come out to play
It'll be worth the wait Dancing under candy colored lights
Just this once I'll become hypnotized
This vibration feel it if you dare
Colors of a secret love affair I'm gonna take it
I'm gonna take it
I'm gonna take it
I'm gonna take it Dancing under candy colored lights
Just this once I'll become hypnotized
This vibration feel it if you dare
Colors of a secret love affair Traveling light, living my life
Hey, hey, hey
Loving the lights, gonna ignite
Hey, hey, hey Giving it glow, head to my toe
Hey, hey, hey
You'll never know where it could go
Hey, hey, hey
