

Fine Little Mama

Elmore James

I got a fine little mama,
She really's on the ball
I got a fine little mama,
And she really's on the ball
She is a red hot mama,

And she ain't but five feet tallOh yeah, she's got perfect hip and long black waivy hair
She's got perfect hip and long black waivy hair

Aah, that was not a joke, aah

And in town she ain't no square, oh yeahShe is a red hot mama,

But she sure can put me down

She is a red hot mama,

And she sure can put me down

And when she start the lovin',

My love come tumblin' downOh yes, she's my red hot mama, my red hot mama

She's my red hot mama, she's my red hot mama

Well, when she start the lovin',

My love come tumblin' down
