

Brighter Days

Brighter Days

By Sounds Like Harmony

Iâ€™ve been thinking lately maybe
I should leave this town and run away
today

See how am I to chase the sun
when every cloud Iâ€™ve known
is dark and gray?

Okay

Iâ€™ve been lookinâ€™ for the brighter days
and the sun came out and I saw your face

now I know, Iâ€™ll be okay
cuz it got cold and I was feelinâ€™ sad
but you kept me warm

now it ainâ€™t so bad
cuz Iâ€™ve got you, and youâ€™ve got me,
Today

Iâ€™ve been thinking lately maybe
I should finally wake up from this dream,
ya see

But how am I to end in sleep
when I canâ€™t form a new reality,
for me?

Iâ€™ve been lookinâ€™ for the brighter days
and the sun came out and I saw your face

now I know, Iâ€™ll be okay
cuz it got cold and I was feelinâ€™ sad
but you kept me warm

now it ainâ€™t so bad
cuz Iâ€™ve got you, and youâ€™ve got me,
Today

But what the hell am I supposed to do?
When my whole life has been a dream,
nothingâ€™s real or so it seems,

and all I want to do is run away?

Iâ€™ve been lookinâ€™ for the brighter days
and the sun came out and I saw your face
now I know, Iâ€™ll be okay
cuz it got cold and I was feelinâ€™ sad
but you kept me warm
now it ainâ€™t so bad
cuz Iâ€™ve got you, and youâ€™ve got me,

Today
