

Anything To Say You're Mine

[Etta James](#)

Ohh Ohh
I'm so blue
'cause I'm worried over you
I, I sometimes wonder
why I never hear from you You promised to write me
each and everyday
and I haven't heard from you
since you went away oohh oohh I sit by my window pane
hoping for a letter
one that never came My heart cries for just
one little line
anything to say you're mine Oohh, oohh, oohh I said a prayer
every night, hoping
hoping and praying
someday, someday you'd write oohh, oohh My heart cries
for one little line Anything to say you're mine...
