

Part Love

Yello

Mm mm mm mm
I see you walk baby walk
I hear you talk baby talk
I see you dance baby dance
Give me that chance baby chance Your eyes kill my sight
I guess you know that (mm mm mm mm)
I guess you know that
Your eyes kill my sight (mm mm mm mm)
I guess you know that (You make my heart burn)
I guess you know that
(You make my mind turn) Lazy lady way too cool
I wanna be your supernatural tool
Lazy lady way too cool
I wanna be your supernatural fool
Mm mm mm mm your supernatural tool This is your love part, you drive it into my heart
Driving me out of my mind you make me love blind Your eyes
Yeah! You make my heart burn, you make my mind turn
This is your love part, you drive it into my heart
Driving me out of my mind you make me love blind
